

Transalpine Running Camp I: Silvretta and Sesvenna

Hut to Hut Running Tour - a pure mountain experience

Is running or trail running one of your passions, and do you dream to be in the mountains? Then perhaps you also would like to run over the mountains from hut to hut? Then our Running Haute Route is for you, if you bring just the joy of running, a little endurance and an adventurous spirit.

We make a delightful four day journey, running through beautiful and diverse Alpine landscapes - enjoying the contrast of flower filled meadows, dramatic gorges and high alpine passes. On two days we break our journey overnight in mountain huts. Between these hut nights we will enjoy a restful night in the Hotel Traube in Scuol, with the luxury of a hotel bed and a gourmet dinner. Here you can also take the opportunity to sample the natural spa waters of the Bogn Engiadina, and allow them to take the tiredness out of your legs.

During the tour we run at a fairly easy pace with time to linger in the mountain meadows (unlike during races), to rest and stretch, to enjoy a picnic, or just to appreciate the panorama. We carry our picnic and spare clothing with us in a small running backpack. Each day we travel between 15-25 miles with approximately 800-1100m ascent. The legendary Uina gorge, awe-inspiring views to the high glaciers and the beautiful Val Sinestra are just some of highlights of our tour.

Benefit from the experience of mountain runner Franzi Gissler, who competed in the 2007, 2008 and 2009 Transalpine Run, and who with her team partner achieved best Swiss team in the top ten of the Mixed category.

The Transalpine Running Camp offers you a wonderful trail running experience in the mountains. It is ideal preparation for the Gore-Tex Transalpine Run or The North Face Ultra Trail du Mont Blanc. Come with us on our mountain journey!
